**A SPECIAL MESSAGE TO THE BOYS AND
GIRLS OF AMERICA FROM
HENRY MORGENTHAU, JR.**

**"SECRETARY OF THE
TREASURY."**

THE SECRETARY OF THE TREASURY
WASHINGTON

Boys and Girls of America:
Here's a way for every one of you
to help your country.

Every time you buy a Savings Stamp
you are helping Uncle Sam to pay for a part
of a gun, plane or ship which your fathers,
brothers or uncles are using for the defense
of our country.

If every one of you forty million
boys and girls would buy at least one ten-cent
Savings Stamp every week, you would be lending
your Uncle Sam two hundred million dollars
every year. Think of all the guns, planes and
ships he could buy with that!

Remember, you can help to "Keep 'em
Flying" by buying a Defense Stamp every week.

Sincerely,

Henry Morgenthau, Jr.

HOME-FRONT HEROES!

NOT ALL THE HEROES OF THIS WAR WEAR UNIFORMS. There are Colin Kelly, Eddie O'Hares and Emmett O'Donnell in the home. In fact, too! And you'll find them in the nation's engineering laboratories, hard at work on some new and utterly fantastic weapons designed to spell doom for the Axis.

Tanks that drop from speeding planes, hot-like flying wings, synthetic rubber, eyes that see in the dark—these are but a few of the rapid-fire developments now being prepared to greet the enemy. And never and greater inventors are needed daily!

Read the latest news of this battle of the home-front in a real hero's magazine—**MECHANIX ILLUSTRATED**! Not only will it keep you up-to-date on the latest war weapons; it will tell you how you, too, can become a home-front hero, a Colin Kelly of the laboratory! In addition, **MECHANIX ILLUSTRATED**'s 174 pages on science, photography, handicraft and every kind of hobby will convince you that it's the greatest 10¢ worth in history. Get your copy today!
